

Who We Are

TARS Foundation is a most trusted and successful non-governmental, non-profit and non-political charity organization registered in KPK Pakistan, working since 2015 to provide Timely Aid and Relief Support (TARS) to thousands of people within KPK province, mainly in Peshawar.

Founded by a local individual - Abdul Majid Qureshi and then joined by other young volunteers determined to make a difference, we have since supported more than hundreds of deserving families and many other individuals in various aspects.
