WHO WE ARE

TARS Foundation® is a most trusted and successful non-governmental, non-profit and non-political Charity (humanitarian) organization registered in KPK Pakistan, working since 2015 to provide Timely Aid and Relief Support (TARS) to thousands of people within KPK province, mainly in Peshawar. Founded by a local individual - Abdul Majid Qureshi and then joined by other young volunteers determined to make a difference, we have since supported more than hundreds of deserving families and many other individuals in various aspects.

All of our charitable work is totally supported by donations that common people from across the world offer in the form of cash, food, clothing, shelter, medicines, sponsorship, adoption, advocacy, education, volunteering and all other kind of supports. Transparency, taking ownership of the responsibilities, handling with due diligence and delivering at pace and professionalism are at our core.

WHAT WE DO

TARS Foundation provides financial aid to the poorest communities mostly involve deserving widows & orphans, patients, disabled, homeless, elderly, as well as distributes free ration in deserving families on monthly basis and provides free food on daily basis to the deserving people including day-labourers on different roads of Peshawar.

On top of that, TARS Foundation financially facilities the less-privileged people of the society through any possible way. Our main focus is on and is for less fortunate, destitute and vulnerable people and for all those affected by poverty.
